

*Welcome to Kindergarten*

**Lane Cove Public School**

*After the holidays, I will be starting school at Lane Cove Public School.*

*I will be in Kindergarten.*

Every day I need to be at school  
by 8:55am.

When I arrive at school, I will  
say goodbye at the gate.

I can say hello to the teacher.

When the music plays, I will know it is time to line up with my class.

*This might be my classroom.*

*I can sit on the floor and listen to the teacher.*

I will learn new things at school.  
Sometimes I will work by myself  
and other times I will work in a  
group.

I can eat my Crunch & Sip in the classroom. This is a quick fruit or vegetable snack during the morning session.

My teacher will show me where to sit to eat my recess and lunch outside. I put all my rubbish in the bin to keep the playground clean.

Kindergarten have their own area to play at recess and lunch. A teacher in a yellow vest supervises to keep me safe and to help if I need.

Girls and boys have different  
toilets.

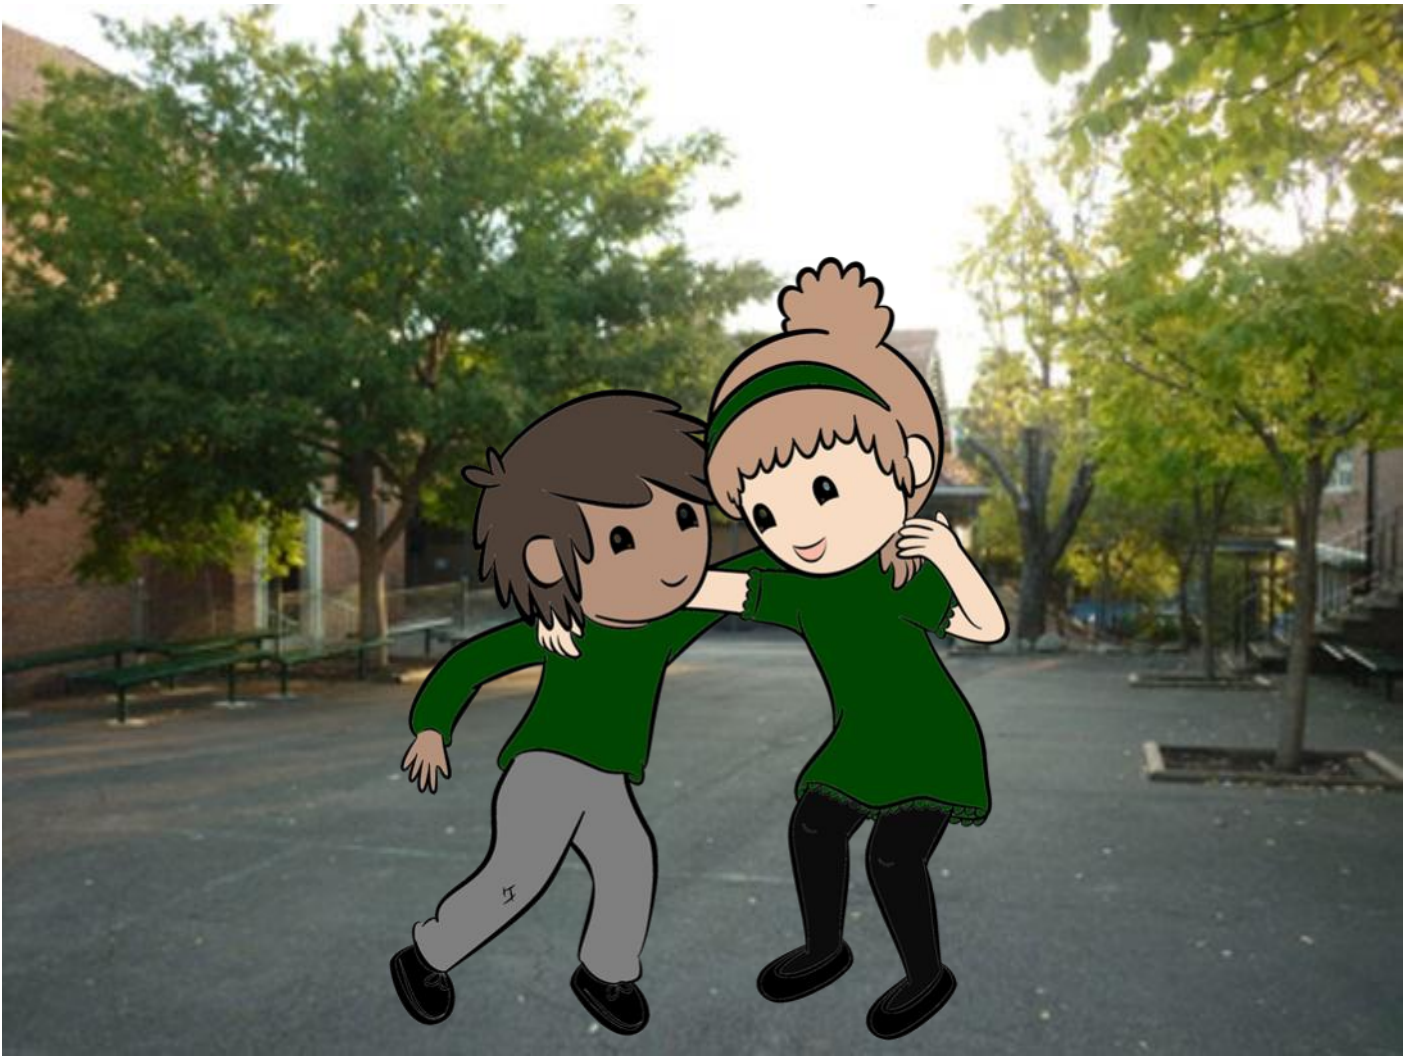

I walk with a partner to the  
toilets. I use the toilet by myself  
and wash my hands every time.

At school we work as a team. I can help with different jobs in my classroom. It is important to be kind.

All my belongings need to have my name on them. It is my job to look after them and pack them in my bag to take home.

I can make new friends at school.  
My teacher will make sure a  
parent or carer meets me at the  
collection point at the end of the  
day. Then I will say goodbye.

We are really excited to welcome you to our school! This book is designed to help you get ready for school but it is for illustrative purposes only. Details may change next year.

Please note, characters illustrated in this book are not wearing hats outside. Students at Lane Cove P.S. wear their hats whenever they are out in the playground.
