➤ Principal's Report

Education Week

The events during Education Week were an outstanding showcase of Lane Cove Public School and Public Education, clearly reflecting our School Plan's 3 Strategic Directions:

*Quality Teaching and Leadership
Successful, Resilient Learners
Connected School Community*

On Monday, as reported last week, we had an inspiring and entertaining performance from Christine Anu as part of our NAIDOC Week celebrations. We were also privileged to be joined by members of our local Aboriginal and Torres Strait Islander community. Thanks to Ms Myers and her committee for organising this.

On Tuesday the Year 5 Choir performed at Sydney Town Hall as part of the Arts Alive Primary Choral Concert. The students performed beautifully and enjoyed being able to perform in such a significant venue. I thank Ms Todaro and Ms Di Maria for all of their work with the Year 5 Choir and for accompanying the students on the night.

On Wednesday we had 91 students perform in the Wakakirri dance performance at NIDA. This was a wonderful team effort by the students, teachers and parents involved. The performance itself was outstanding, full of colour, energy and positivity. The Wakakirri team won 2 awards on the night for best interpretation of the theme (fly), and most original use of materials for costumes. Thank you to Ms Dreverman and her team of teachers and parent volunteers for providing such a rich and rewarding experience for so many of our students.

Thursday was our Open/Grandparents Day. It was lovely to see so many parents, grandparents and friends come to the school to spend some time in the classroom with our students. Times like this are so beneficial to the students because it demonstrates to them that what they do here at school is valued by those around them. A very successful book stall, a terrific music concert and a delicious morning tea was enjoyed by all. My thanks to all of the Kindergarten parents, coordinated by Jennifer Perez for assisting and providing the morning tea.

The day concluded with our STEAM Twilight sessions. Through their STEAM lessons during last term Year 1 and 2 classes created light installations, becoming a stunning display of lights in the library which would have made the producers of Vivid envious. Year 3 and 4 had a Future Transport Expo where people were able to try out and give feedback on the transport prototypes created by the students. There was great interest in both displays which highlights the enormous support we get from the school community and which shows the students how much their work is valued. I would like to thank all the teachers involved in bringing these displays to life, in particular Ms Dreverman and the STEAM team.

The week concluded with our tennis team playing in the NSW quarter finals against Banora Point Public School. All members of the team played with determination and great skill however Banora Point were too strong on the day. I received great feedback from the Banora Point Deputy Principal and parents who were present on the day. They said our students were so polite and showed such outstanding sportsmanship even when things were going against them. This was very pleasing to hear and why we are so proud of all of them. Congratulations to Daniel M, Zoe N, Jonash D and Yvette V.

➤ **P & C News**

The **Annual Grandparents and Carer's Day** looked to be a big hit last week, with plenty of carers and grandparents enjoying the opportunity to visit the school and see where their special little one learnt, played, and generally goofed around. You knew it was busy when the parking in Lane Cove was extra bad on the morning. Great to see the book stall so busy as well - plenty of new material for our library, and the catering and concert in the hall were a great hit. Thanks to our Kindy parents (with a special thanks to Grade Coordinator Jennifer Perez) for volunteering their time and putting on such a great spread. Not sure who it was, but those home made iced vovos were amazing!

The next event on the calendar is one of my personal favourites - the **Father's Day Breakfast** under the COLA on Friday 31 August, being organised by our year 1 parents. It will be bacon and eggs rolls aplenty, so please look out for more information on SkoolBag soon... and for those year 1 parents, I know Grade Coordinator Marni Lefler will be on the hunt for volunteers, so please keep the morning free.

You might have seen in your kid's bag the annual **Donation Letter** from the P&C request financial support. If you haven't please let me know and we can send you a copy. All monies donated contribute directly our school. Thanks to those who have already contributed.

And of course - if you haven't already - register for the Lane Cove Community Fun Run. Registrations this year are tracking high, so get in early and be part of what promises to be another fantastic event! Go to <http://www.lanecovefunrun.com.au/> to register.

Enjoy your week.

Welcome to Term 3, week4 of LCPS Music Programme for 2018.

Music Trivia Night has been postponed – new date to be advised! We apologise for any inconvenience caused. Anyone who has not already been contacted in regard to pre-purchased tables contact Michelle at lcpsmusicnsw@gmail.com.**Help Wanted! Music Committee Roles**

We are still looking for some help in some very specific roles and would love some people to volunteer.

Instrument Officer: URGENT! This is a vital role that we need someone to take over to keep the programme running. It is not too time consuming and the instrument documentation and scheduling has recently been completely overhauled so the hard work is done. It involves overseeing the management and allocation of the musical instruments owned by the music programme, working with the fabulous team of instrument officers to manage the hire, purchasing and servicing requirements of the instruments. As they are so good it is very easy. No experience is necessary and would suit someone who loves organisation and is good with spreadsheets.**Events Convenor:** This role report to the Convenors and project manages 4-5 events with the assistance of volunteers.If you can help with any of these roles, please contact Michelle at lcpsmusicnsw@gmail.com**HIRE INSTRUMENTS:**We are in the process of renumbering and re tagging all the instruments that are currently missing a tag. Your child's instrument should have a new red tag on the case with the LCPS phone number and a new instrument number on it. **DO NOT REMOVE THIS TAG** and please notify us if it falls off or you don't get one by the end of term.**YEAR 2 BANG BLOW & SCRAPE** is a daytime event during school time on Thursday 23rd August. It's for Year 2 children only, who are trying out instruments to commence lessons in Year 3. Class teachers will bring all students to the hall. Parents are not expected to attend this event. However, we do require some parent helpers for this event. If you are interested in helping click this link to see our sign up <http://signup.com/go/KTeVhXm>

BANG BLOW & SCRAPE 2018 evening event will be on Wednesday 5th September for annual instrument try out sessions. This is an evening session for parents and students to experience a try out session together. There will be a brief introduction in the hall and then you will be directed to instrument try-out stations. More detailed information to follow next week.

AUGUST

QUESTION OF THE WEEK

Do you sell second hand uniforms?

YES!!! We like to provide second hand uniforms for resale and welcome donations of used uniforms that are in good condition. Donations can be dropped off at the shop during opening hours. Please be mindful that we prefer uniform items that are clean and wearable. Our second hand items are offered for sale in the shop, during shop hours and twice a year we run a second hand stall. Please remember to choose wisely as we cannot offer a refund or exchange on second hand items.

NSW PSSA TENNIS KNOCKOUT ~ QUARTER FINAL
LANE COVE PS v BANORA POINT PS

Last Friday our school Tennis team played in the quarterfinal of the State Knockout competition against Banora Point PS at Tennis World at North Ryde.

Banora Point PS is located near the Tweed River just a few kilometres south of Tweed Heads.

Unfortunately, we were unsuccessful in our bid to make the semi finals with Banora Point winning a majority of sets. Our team of Daniel M., Jonash D., Yvette V. & Zoe N. played really good tennis and displayed excellent sportsmanship and courtesy to the visitors. Although beaten, our team's efforts to reach the final eight in NSW is an outstanding achievement.

Congratulations and well done !

Sue Sutton/Alan Russell – Tennis Co-ordinators

Orienteering

Six LCPS students competed at the Sydney North schools orienteering championships at St Ives Showground on 13th August.

In the morning they competed as individuals in the year 5/6 classes where Vincent M. finished 14th on the boys course - one of the first year 5 boys.

On the girls course 6AR had five girls running and they all did well to navigate the tricky course with Lyra S. winning the class outright whilst the others battled for honours in the 6AR race within a race.

For the afternoon relays the LCPS students decided that we should pick two even teams and the selection worked perfectly with the teams finishing 30 seconds apart, both in the top third, and all the students running hard and navigating well.

Team: Vincent M., Abby B., Ava G., Stella G., Hannah L., and Lyra S.

Cheers,
Andy Simpson

Casual Work

School Crossing Supervisors – Work with your community 1 x Casual Position – Lane Cove Local Government Area (00006E4P)

An important person in a child's school life is the School Crossing Supervisor, who ensures they cross the road safely. The role requires minimal hours out of your day and gives something worthwhile back to the community.

The hours are usually 8.00am to 9.30am and/or 2.30 to 4.00pm Monday to Friday during school terms. The base rate is \$23.02 - \$27.62 per hour.

All the qualifications you need are community spirit, good communication skills, an alert and professional attitude to work and a reliable personality. The casual hours and school holidays would suit a parent or grandparent, a retiree or anyone wanting meaningful work — but not full-time.

Training for your key responsibilities of directing traffic to stop at the designated crossing and giving clear instructions to infants and primary school students to cross the road safely, will be provided. You may be required to attend a health assessment. Appointment is subject to a Working with Children Check clearance.

Roads and Maritime Services is an equal opportunity employer.

For further information on this exciting opportunity please call 1300 305 855 or go to iworkfor.nsw.gov.au

Applications close 11:59 pm Sunday 26 August 2018.

WORKING BEES AT LANE COVE PUBLIC SCHOOL

The P & C organises 4 Working Bees a year on a Sundays, one per term.

Helpers are welcome anytime between 8am and 12pm.

We provide morning tea and drinks.

The school does a great job with its resources BUT it's a massive job looking after the grounds and any help we can give puts that extra shine on the school and makes it a much more enjoyable place for us all.

We help with gardening, landscaping, along with building/carpentry/handyman jobs as required.

Each term we ask specific school years to be the primary helpers, however everyone else is more than welcome.

What to bring: We have a supply of brooms, rakes, shovels & etc but you may like to bring your own gardening gloves. Also a Petrol Whipper snipper is always a great help.

These are the Working Bee dates for 2018:

Term 3: Sunday 26th August - Helpers: **Year 2 and 4**

Term 4: Sunday 18th November - Helpers: **Year 3 & All**

If your family is unable to help, you may want to consider a donation for the purchase of materials, equipment and professional specialised skills. If donating by cash, cheque or CC please provide your details & drop it into the P&C locked box in school administration. For EFT, our banking details are: Lane Cove Public School P & C Association, Westpac, BSB: 032 085, Account Number: 379713

FANCY HELPING TO MAKE A DIFFERENCE? We need helpers to run the working bees; volunteer coordinators, job planners and people with practical skills. It's a wonderful community feeling and you get to make a difference while helping many inspiring people build their projects around the grounds.

Interested? Then please contact Andrew Sullivan 0421 510759, Mark Fisher 0417 692096 or speak to anyone from the P & C.
